UI UX Designer

UI/UX Designer with hands-on experience in mobile and web design, user research, wireframing, and high-fidelity prototyping. Strong foundation in UI UX design, project management, and collaborative problem-solving. Passionate about designing intuitive, people-centered digital experiences that meet user needs and drive business growth.

WORK EXPERIENCE

Aperture Coffee Bar • 05/2023 – Present

Barista / Bartender

- -Collaborated with a small team, practicing smooth communication and agile problem-solving, akin to iterative design processes.
- -Managed customized orders and adapted to real-time user needs, sharpening the ability to quickly understand and respond to user preferences.

COS • 05/2022 – 08/2022

Sales Advisor

- -Built strong interpersonal skills by assisting diverse customers, fostering a user-centered mindset foundational to UX design.
- -Balanced sales goals with customer satisfaction, applying the same balance needed between business goals and user needs in UX.

American Eagle Outfitters • 09/2021 – 08/2022

Retail Sales Associate

- -Ensured store displays aligned with visual merchandising guidelines—parallel to creating cohesive and on-brand UI components.
- -Observed and adapted to user behaviors in retail space, gaining insight into customer journey mapping and intuitive layout design.

PROJECTS

Babel App • 03/2025

- Researched minority user safety needs through surveys and interviews.
- Created journey maps and redesigned UI after usability testing for clarity and ease of use.

SKILLS

- **Tools:** Adobe XD, After Effects, CSS, Figma, HTML, Illustrator, InDesign, JavaScript, Photoshop, React.js
- **Methods:** Accessibility, Agile, Design Systems, Journey Mapping, User Flows
- **Soft Skills:** Adaptability, Collaboration, Communication, Curiosity, Growth Mindset, Problem Solving

EDUCATION

New Media Design and Web Development

British Columbia
Institute of Technology
05/2024 – Present

Commerce & Business Administration

Douglas College
01/2020 – 12/2023

- Delivered prototypes with accessibility and emergency features in mind.

FLUI Hackathon • 02/2025

Emily Carr University

- Led a 72-hour website redesign for a real client (FurryTales Pet) alongside a multidisciplinary team.
- Managed project schedules using Agile practices and oversaw client presentations.
- Managed a meeting with clients to have aligned design decisions with client's requirements.

Zynergy App • 11/2024

- Conducted user research and usability testing to identify fitness motivation gaps.
- Created branding (logo, typography, color system), UI design, and user flow.
- Developed wireframes, architecture, and high-fidelity responsive prototypes.
