SUMMARY

- **UX/UI designer crafting inclusive, and data-informed experiences.**
- Specializes in end-to-end UX, from research and ideation to high-fidelity prototyping.
- Focused on design systems, usability, and creating experiences that balance human needs with technical innovation.

EXPERIENCES

PRODUCT DESIGNER (INTERN) | 09/2025 to Current

Burst Creative Group - New Westminster, British Columbia

- Collaborated with developers and designers to refine client software interfaces, ensuring **accessibility, usability, and visual consistency** across responsive web and mobile platforms.
- Designed **mobile-first layouts and design systems** to standardize font scales, spacing, and interaction patterns for seamless user experiences.
- Supported internal product releases by designing **mockups, prototypes, and App Store visuals** that elevated brand perception and usability.
- Utilized **Figma, Adobe Creative Suite, and web technologies (HTML/CSS, JS)** to iterate efficiently on high-fidelity deliverables.

WEB DESIGNER | 07/2025 to Current

Aperture Coffee Bar - Vancouver, British Columbia

- Leading the **end-to-end redesign** of a local café's website to improve event visibility, e-commerce readiness, and storytelling.
- Conducting **stakeholder interviews and user research** to define pain points and design solutions aligned with user goals.
- Collaborating with a small design team to translate research into **wireframes, UI components, and responsive layouts**.

FEATURED PROJECTS

MedSpeak App- Product Design | BCIT, June 2025

- Led end-to-end product design for an **AI-powered app** that translates everyday symptom descriptions into medically accurate language across multiple languages, addressing real communication gaps for non-native English speakers.
- Conducted **user interviews, accessibility audits, and usability testing** to ensure clarity and trust in multilingual contexts.
- Simplified UI and streamlined workflows, resulting in a **more intuitive and inclusive user experience**.

FurryTales Pet – E-commerce Website Redesign | FLUI Hackathon, Feb 2025

- Led a 72-hour redesign of a real client's online store, improving **navigation, product layouts, and new branding**.
- Facilitated design sprints and **client feedback sessions**, aligning the final prototype with both **business goals and user needs**.

SKILLS

- **Design:** Figma, Adobe Creative Suite (Photoshop, Illustrator, InDesign, After Effects), WordPress, Squarespace
- **Development:** HTML/CSS, JavaScript, Tailwind CSS, React.js
