SUMMARY

Creative **Digital Designer** with a background in business administration, specializing in branding, marketing, and social media. Skilled in UI/UX design, brand identity, and responsive web development (HTML, CSS, JavaScript). Experienced in fast-paced retail sales, fashion trend advising, and customer engagement. Adaptable and collaborative, able to contribute to design, event coordination, and technical support.

SKILLS

- **Design and branding:** UI/UX design, wireframing, prototyping, typography, color theory, brand identity design, and style guide creation
- **Marketing and social media:** Content creation, visual storytelling, digital campaign design, and brand-aligned social media posts
- **Technical skills:** HTML, CSS, JavaScript, responsive web development, CMS updates, and cross-platform design
- **Event and retail experience:** customer engagement, fashion trend advising, fast-paced retail sales, event coordination, sponsor relations, backstage support
- **Tools:** Figma, Adobe Creative Suite (Photoshop, Illustrator, InDesign), After Effects, and Premiere Pro
- **Soft skills:** collaboration, adaptability, problem-solving, creativity, attention to detail

FEATURED PROJECTS

MedSpeak App- Product Design | BCIT, June 2025

- Designed and developed a brand identity and user interface for a multilingual healthcare app, applying visual hierarchy, typography, and color theory to create a clear, trustworthy design.
- Built interactive prototypes, conducted usability testing, and maintained brand consistency across all screens and features.
- Delivered a solution that improved user engagement, accessibility, and clarity for non-native English speakers.

FurryTales Pet – E-commerce Website Redesign | FLUI Hackathon, Feb 2025

- Led branding refresh, style guide creation, and responsive UI design for a real client's e-commerce store within a 72-hour deadline.
- Improved navigation, product page layouts, and mobile experience to increase usability and align with client goals.
- Applied agile workflows and client feedback sessions to refine design for both visual appeal and business performance.

EXPERIENCES

WEB DESIGNER | 07/2025 to Current

Aperture Coffee Bar - Vancouver, British Columbia

- Leading the website redesign to improve usability, event promotion, and visual branding.
- Conducting client meetings, setting design schedules, and prioritizing features based on target users' needs.
- Collaborating with a small design team to translate research into wireframes, UI components, and responsive layouts.

BARISTA / BARTENDER | 05/2023 to 04/2025

Aperture Coffee Bar - Vancouver, British Columbia

- Delivered personalized customer experiences, improving service efficiency, and satisfaction.
- Worked closely with a team while building strong communication skills, adaptability, and a mindset that values feedback.
- Trained new staff, reducing onboarding time by 33%.

SALES ADVISOR | 05/2022 to 08/2022

COS - Vancouver, British Columbia

- Analyzed customer behavior patterns and purchase data to identify real problems affecting conversion rates and customer satisfaction.
- Learned from colleagues with different specialties, such as inventory management, visual merchandising, and customer service, to create more comprehensive solutions.
- Supported visual merchandising and product knowledge across 200+ SKUs, contributing to an 8% sales increase.

RETAIL SALES ASSOCIATE | 09/2021 to 08/2022

American Eagle Outfitters - Vancouver, British Columbia

- Continuously adjusted merchandising approaches based on daily sales data and customer feedback, similar to agile sprint retrospectives.
- Organized product layouts to create intuitive navigation paths for customers.
- Contributed to 20% sales growth during seasonal campaigns.
