

YUNGI CHO

UI/UX Designer

📍 Vancouver, BC, Canada | ✉️ t0908003@gmail.com | 🌐 yungicho.com | 🔗 linkedin.com/in/yungi-cho

PROFILE

UI/UX Designer with hands-on experience in mobile and web design, user research, wireframing, and high-fidelity prototyping. Strong foundation in UI UX design, project management, and collaborative problem-solving. Passionate about designing intuitive, people-centered digital experiences that meet user needs and drive business growth.

PROJECTS

Project Manager – FLUI Hackathon (Emily Carr University) Feb 2025 | Vancouver, BC

- Led a 72-hour website redesign for a real client (FurryTales Pet) alongside a multidisciplinary team.
- Managed project schedules using Agile practices and oversaw client presentations.
- Managed a meeting with clients to have aligned design decisions with client's requirements.

UI UX Designer – Zynergy App 4 weeks, November 2024 | Team Project

- Conducted user research and usability testing to identify fitness motivation gaps.
- Created branding (logo, typography, color system), UI design, and user flow.
- Developed wireframes, architecture, and high-fidelity responsive prototypes.

UI/UX Designer – Babel App 4 weeks, March 2025 | Team Project

- Researched minority user safety needs through surveys and interviews.
- Created journey maps and redesigned UI after usability testing for clarity and ease of use.
- Delivered prototypes with accessibility and emergency features in mind.
