SUMMARY

Purpose-driven junior UX/UI designer dedicated to creating impactful digital solutions that support business growth and improve everyday experiences for users. Skilled in user iterative design, user research and usability testing, with a strong focus on clarity, accessibility, and real-world value. Known for a collaborative mindset, curiosity, and a continuous improvement approach, guided by feedback and user insights.

SKILLS

- **Tools:** Figma, Photoshop, Illustrator, InDesign, HTML/CSS, JavaScript, After Effects, and Adobe Premiere Pro
- **Methods:** user interface design, agile project management, prototyping, usability testing
- **Soft skills:** adaptability, collaboration, communication, curiosity, growth mindset, problem solving

PROJECTS

MedSpeak App- Product Design | 4 weeks, June 2025

- Led end-to-end product design for an AI-powered app that translates everyday symptom descriptions into medically accurate language across multiple languages, addressing real communication gaps for non-native English speakers.
- Conducted user interviews to improve app accessibility and user engagement.
- Gathered feedback through usability testing and made continuous improvements by adjusting key functions, removing unnecessary features, and simplifying the UI and branding to create a more intuitive experience that helps patients feel confident and supported.

Babel App- UX/UI Case Study | 6 weeks, March 2025

- Researched safety concerns of minority users through surveys and interviews, uncovering key needs around visibility, control, and trust in emergency situations.
- Created user journey maps and refined the UI based on usability testing to improve clarity, ease of use, and navigation under stress.
- Developed prototypes focusing on accessibility and emergency features.

FLUI Hackathon- Real Client's Website Redesign | Feb 2025

- Led a design team to deliver a user-centered website redesign within tight deadlines(72 hours).
- Applied agile practices to align design decisions with client goals and identity.
- Facilitated feedback sessions to refine designs according to user and business needs.

EXPERIENCES

BARISTA / BARTENDER | 05/2023 to 04/2025

Aperture Coffee Bar - Vancouver, British Columbia

- Managed customized orders and adapted to real-time user needs, sharpening the ability to quickly understand and respond to user preferences.
- Worked closely with a team while building strong communication skills, adaptability, and a mindset that values feedback.
- Trained two new employees on beverage preparation and customer service protocols, reducing their learning curve from three weeks to two weeks.

SALES ADVISOR | 05/2022 to 08/2022

COS - Vancouver, British Columbia

- Analyzed customer behavior patterns and purchase data to identify real problems affecting conversion rates and customer satisfaction.
- I learned from colleagues with different specialties, such as inventory management, visual merchandising, and customer service, to create more comprehensive solutions.
- Developed product knowledge across 200+ SKUs, enabling cross-selling opportunities that contributed to an 8% increase in department sales during the summer season.

RETAIL SALES ASSOCIATE | 09/2021 to 08/2022

American Eagle Outfitters - Vancouver, British Columbia

- Continuously adjusted merchandising approaches based on daily sales data and customer feedback, similar to agile sprint retrospectives.
- Organized product categories and store sections to create intuitive navigation paths for customers.
- Collaborated with an 6-person team during promotional events, contributing to the achievement of store sales goals, including a 20% increase during the back-to-school campaign.
